Dear Sir,

With reference to correspondence ending with your D.O. letter No.444 dated 14th August about the confidential reports on the work of the Health Officer and the Municipal Engineer, I find that the Municipality was not required to send such reports every year in previous years. In the G.O.No.3908-3957, 175-21 dated 5th January 1923 to which my attention is invited, there is no form prescribed for the above officers. In fact there is no mention in it of the Municipal staff at all, Except of the Chief Officer. I therefore request you to kindly let me know whether it is necessary to send any such reports and if so what form should be adopted.

Draft reply submitted.
